USES AND APPLICATION
Siltech® E-2155 is especially formulated to cross-link into a durable finish. Siltech® E-2155 provides excellent durability and shine to tire shines, furniture polishes and hard surface cleaners.

SAFETY
Before handling, read the Material Safety Data Sheet and container label for safe use, physical and health hazard information.

THIS MATERIAL IS NOT FOR MEDICAL OR DRUG USE.

STORAGE AND SHELF LIFE
When stored in the original, unopened containers between 10 and 40°C, Siltech® E-2155 has a shelf life of 12 months from date of manufacture.

PACKAGING
Siltech® E-2155 is available in 20kg and 200kg containers.

LEGAL DISCLAIMER
Siltech Corporation believes that the information in this technical data sheet is an accurate description of the typical uses of the product. Siltech Corporation, however, disclaims any liability for incidental or consequential damages, which may result from the use of the product that are beyond its control. Therefore, it is the user’s responsibility to thoroughly test the product in their particular application to determine its performance, efficacy and safety.
