Silky Silsurf® Shampoo

Sulfate-Free Shampoo

Description:

Silky Silsurf® Shampoo is a superior sulfate-free system. Silsurf® Di-T108 provides powerful fragrance stabilization power and fantastic foam enhancement. Comparisons to a control minus Silsurf® Di-T108 (adjusted to equivalent surfactant concentration) reveal that Silky Silsurf® Shampoo yields quicker building and more dense foam while maintaining foam volume at parity. Silky Silsurf® Shampoo foam is smooth and silky and provides mild conditioning to hair, yielding improved combability.
